FINLEY and HAWKINS.

A NEW PLAY HOUSE.

This is One of Vinita's Most Press-
ing Needs.

More imperative every day seems
the demand for a better opera house in
Vinita and if it is not built by indi-
vidual effort a stock company should
be formed. A gentleman who has
looked into the matter suggests that
a practical plan would be to erect a
building on three lots, 75 feet front,
with store rooms below and an opera
house above. He went further and
said that Charley McJellian's or Dr.
Wimer's corners, down by the court
house, would be a capital location for
such an edifice. We should be glad to
see the idea develop into a fact.

Beautiful Clear Skins.
Herbine exerts a direct influence on
the bowels, liver and kidneys, purifying
and strengthening these organs, and
maintaining them in a normal condition
of health; thus removing a common
cause of yellow, mothy, greasy skin and
much or less of pimples, blotches and
blackheads. 50c at People's drug

A STORMY VOYAGE.

**Robert Knight Returning From The
Philippines.**

R. D. Knight has received a letter
from his son, Robert, a member of the
U. S. army, who has just reached San
Francisco from the Philippines. His
regiment expects to be sent at once to
Panama, though it may be that an-
other command will be assigned to
that service and the one our town-
man belongs to be sent to Ft. Meyer,
Virginia. Three days out, the letter
states, the transport ran into a storm
lasting 18 hours and for a time it
looked as though the vessel's destruc-
tion was certain. As it was, damages
were sustained to the extent of \$20,-
000.

Not a Sick Day Since.
"I was taken severely sick with kid-
ney trouble. I tried all sorts of medi-
cine, none of which relieved me. One
and determined to try that. After tak-
ing a few doses I felt relieved, and soon
thereafter was entirely cured, and have
not seen a sick day since. Neighbors of
mine have been cured of rheumatism,
neuralgia, liver and kidney troubles and
general debility." This is what B. P.
Bass of Fremont, N. C., writes. Only

HAS A BIG CHURCH.

The Reason Which Cost the Congre-
gationalists Their Pastor.

It has been learned that one of the
chief things which stood in the way of
the Congregationalists retaining Rev.
Mr. Bullard was an offer of \$2,000 a
year from a church at Saratoga
Springs, N. Y. The letter containing
the offer he had misread, and it follow-
ed him here, being the termination
of a correspondence begun before the
gentleman concluded to come west.
He had, previous to coming here, sup-
plied one of the New Haven churches
for a year. It is fair to Mr. Bullard
to say that his decision to leave Vini-
ta reflected no discredit upon him
for there was a difference of under-
standing as to what his salary here
was to be to the extent of \$240 a year.

A Policeman's Testimony.
J. N. Patterson, night policeman of
Nashua, Ia., writes, "Last winter I had
a bad cold on my lungs and tried at least
a half dozen advertised cough medicines
and had treatment from two physicians
without getting any benefit. A friend
recommended Foley's Honey and Tar
and two thirds of a bottle cured me. I
consider it the greatest cough and lung
medicine in the world." Sold by Peo-
ple's Drug Store. dw

A Sorrowful Thanksgiving.
Mrs. Kate Lenore Menenga died at

Stubbsfield, the interment being at
the cemetery adjoining this city.

He Could Hardly Get Up

P. H. Duffy of Ashley, Ill., writes,

"This is to certify that I have taken two

bottles of Foley's Kidney Cure and it

has helped me more than any other me-

dicine. I tried many advertised reme-

diaries, but none of them gave me any re-

lief. My druggist recommended Foley's
